

# **Two Year Integrated Course for JEE**

**JEE Main + JEE Advanced + Boards**

**(Target - 2027)**

**Appearing / Appeared for Class X board examination in year 2025**

## **Course Description**

The course, unmatched in its rigour and precision, raises you to the very zenith of your preparation. The stimulating atmosphere of the institute, small batches (yes-we believe in quality) and one-to-one interaction with the instructor ensure that every rough edge is smoothened, every small doubt is cleared. More importantly, we train you to think analytically, we give you a systematic approach to problem solving-a must for JEE Main & Advanced. If you think you are bright, if you think you are capable, if you think that you can make it to the top, this course is precisely for you.

## **Admission Process**

Through one-on-one personal interview by our faculty or Admission Test. Syllabus is Science and Maths of Class IX and X Board. Applications are invited along with attested photocopy of Class IX mark sheet from 2nd week of August 2024.
